From March 28, visitors can once again enjoy fun, imagination, and fresh air at the most beautiful family amusement park in Central Germany.

Leipzig, March 18, 2026 – It's time for adventurers big and small to set off on new discoveries: **BELANTIS – The Adventure Kingdom** opens its gates for the 2026 season on March 28, just in time for the Easter holidays. With numerous new attractions, enhanced offerings, and special promotions, the family amusement park is set for an exciting year full of adventure, fun, and unforgettable experiences.

"At BELANTIS, we aim to create experiences where the whole family can enjoy thrilling adventures together. This year, we've lowered our admission prices to make it even easier for families to visit. At the same time, we're expanding our offerings – from a new season pass and the BELANTIS app to a brand-new themed area opening later in the season," says Filip De Witte, Managing Director of BELANTIS.

The program "**Pirates on the Loose!**" has also been expanded with more music, show-fighting elements, and interactive stations, allowing guests to train as pirates or discover a hidden treasure chest. One thing is certain: there will be real pirate excitement!

Digital Support: BELANTIS App

New this season, the **BELANTIS app** makes park navigation easier, provides up-to-date information, and helps guests plan their day more efficiently.
